GYMNASTICS

The strength, co-ordination, agility and flexibility obtained in our Gym for Joy Programme has life lasting benefits and there is a great deal of carry over skill into other sports. All the basics are covered with an emphasis on floor work, beam, trampette and vaulting. The programme has its own Gym for Joy award scheme that caters for the three-year-old beginner to the advanced gymnast. As children progress through the structured awards we hope to develop their bodies, minds and characters. Gymnastics Competitions and Parent Interactive Lessons are organised throughout the year so that gymnasts have the opportunity to demonstrate the routines and skills acquired during lessons.
