## LEARN TO SWIM

We are passionate about creating a friendly, fun and safe environment for all our swimmers. From their first splash to their first medal and beyond, we are there to support, develop and inspire each swimmer.

We firmly believe in a holistic approach to teaching swimming: our lessons combine the fundamental skills of: water confidence, buoyancy and balance, rotation and orientation, travel and coordination, streamlining and aquatic breathing, entries, exits, water safety and healthy living.

We are proud to integrate the British ASA Learn to Swim/Aquatic Skills Framework into our swimming programme. The award scheme is an invaluable tool to motivate and record the progression of each student. Through this proven Framework we can help your child develop into a happy, confident, and well-rounded swimmer with a lifelong love of swimming.

**Beginner** - Entry: Child must demonstrate some water confidence and independence.

Aim: To develop water confidence, correct body position and leg kick on front and back, and through fun games introduce swimming fundamentals. Exit: 10m on front and back. Tested on ASA NP Stages 1-3

**Level 1** - Entry: Able to move 10m without floats on their front and back.

Aim: To develop freestyle breathing, backstroke, introduce breaststroke kick and basic water skills. Exit: 25m to an approved ASA standard. Tested on ASA NP Stages 3-4

**Level 2** - Entry: Able to swim 25m to an approved ASA standard.

Aim: To develop co-ordinated freestyle breathing, backstroke, breaststroke timing, butterfly kick and water skills. Exit: 50m to an approved ASA standard. Tested on ASA NP Stages 4-6

**Level 3** - Entry: Able to swim 50m to an approved ASA standard.

Aim: To develop efficient stroke technique on all strokes and advanced water skills. Exit: 100m to an approved ASA standard. Tested on ASA NP Stages 6-7

**Advanced** - Entry: Able to swim 100m to an approved ASA standard

Aim: Introduction to competitive swimming, including starts, turns and underwater pull. Preparation for entry to the Junior Dolphins Swim Squad. Tested on ASA NP Stages 8-10

## GYMNASTICS

Gymnastics is a fantastic and invaluable sport, it develops core fundamental movement such as strength, agility, flexibility, balance and co-ordination. Our Gym for Joy® programme ensures a smooth pathway from the beginner to the advanced gymnast. Gymnastic badges will be awarded throughout the year to congratulate and encourage our gymnasts.

A variety of equipment is used during the programme; the floor, beam, trampette, vault (box) and Air Track or Tumble Track, each area challenges our gymnasts to develop and hone their skills.

Our 'Air Track' and 'Tumble track' are air-filled gymnastics floors, which are an ideal progression for talented gymnasts as well as being a fun and safe platform for all our students.

## TRAMPOLINING

Trampolining is an exciting and fun way to improve strength, stamina and co-ordination. Jump for Joy® compliments our Gym for Joy® Gymnastics programme, providing a crossover of skills between the two disciplines. Trampolining badges will be awarded throughout the year to congratulate and encourage our students.

Students are taught how to bounce correctly and safely. They learn how to perform individual moves with correct technique and how to link these together to create sequences and routines. After the basic moves are learnt, trampolinists are endlessly challenged with progressively more difficult routines.

## MINI - TENNIS

Mini Tennis is for children aged 3 – 11 years old, it is played on smaller courts with shorter rackets and softer/low bounce balls, this enables players to have longer rallies and play different types of shots.

**Stage 1 and 2** - Our budding tennis players will learn throwing, receiving, movement, racket and ball skills. Using exciting activities based on the fundamental areas of balance, co-ordination and agility, children will have fun and improve their confidence whilst learning the basics of the game!

**Stage 2 and 3** - Building on the fundamental gross motor skills learnt in the previous stage, with the addition of more striking, receiving, racket skills and tactics. Spatial ability is developed to become more aware of how to control the ball on both sides of the body.

\*Students must have their own racket

# SOCCER

## French International School at Happy Valley Soccer Pitch

The aim of the soccer programme is to help young soccer players reach their full potential. Through engaging, fun and inclusive games, every child who takes part has the opportunity to be the best that they can be. Players will develop their fundamental movement's patterns, learn new football skills and apply them in games, practice selecting the best skill or strategy for the situation and work in groups, discussing ideas with their teammates and their coach. Children will develop more than just their soccer skills – we'll help them to gain confidence, build self-esteem, learn to work as a team and improve their decision making.

Students will be given the MS soccer kit and ball. Once received, please write your child's name on the ball and bring it to the lesson every week, along with a water bottle, sun protection/waterproof jacket (if necessary) and shin pads. Shin pads must be worn for safety reasons, if they are not worn, your child will not be able to participate in the match at the end of the lesson.

<b>Soccer at Happy Valley Soccer Pitch (Outdoor Pitch)</b>	<b>Wednesday</b> Apr 18 – Jun 27 no lesson on May 23 10 sessions
5 & 6yrs	2:00 – 3:00
